Revised September 2023

License Requirements:

Quick Facts:

Vermont requires that dog and wolf hybrids 6 months and older be licensed to an owner each year before or on April 1st. A license requires proof of rabies vaccination (VT. Statutes Title 20, Ch. 193).

In Brattleboro, the Town Clerk's office issues dog licenses as follows:

- Each dog license carries a unique license number assigned to each dog, and a corresponding tag imprinted with their unique license number.
- This dog tag is required to be worn on the dog's collar or harness of choice at any time when the dog will be off their owner's property (**Brattleboro Ordinances Ch. 3 sec. 3-28**).
- Each dog tag carries a unique number, meaning one dog can only be issued one tag at a time.
